Liked Most

Loved the information about garbage collection
The presentation was amazing and all key points covered in detail
Made heap dumper interesting
Subject knowledge and sense of humor
Learned a lot, very knowledgeable
"The concepts and presentation"
Simple to understand concept presentation
Great content, nicely presented and very engaging

Liked Least

The technical issues, don't think it was the presenter's fault but no less annoying
Lost sometimes, not enough explanation sometimes
Tech issues
Nothing
