☆ 4

Q2

What did you like about the training?

Ram(Trainer) is very knowledgeable on the subject. He was able to relate abstract concepts on the training material to how it will manifest in actual scenarios.

Ram was also very accommodating to questions, and generous with his time and expertise.

Q3

What things can be improved in the training?

Perhaps some labwork, but I can see how that may extend the required time, and complicate the required setup for attendees

Q2

What did you like about the training?

I was perfect for my style of learning.

Mr. Lakshmanan's communication style was excellent. He was able to focus on the key points and how much information to provide.

Q3

What things can be improved in the training?

Being an introductory course I think the course is almost perfect ! I would need to think about it further.

Q1

Rate the Training (1 being worst and 5 being best):

☆ 5

Q2

What did you like about the training?

Real life examples are used to illustrate point.
The presenter clearly is a Subject Matter Expert so hearing directly from him is very valuable.

Q3

What things can be improved in the training?

My main issue was the time of the training in USA as it spanned many more my existing meetings and standups in mid morning. So having it in the afternoon is better.

☆ 5

Q2

What did you like about the training?

it was on point, gave so much useful information in a short span of time. The instructor answered almost all of the participant's questions

Q3

What things can be improved in the training?

training time is kinda short, giving more time could make this training more relax and useful
