3 What did you like most about the training?

Lots of insights around JVM, heap, and threads. Also applied the learning already. Thanks a lot.

4 What could have been improved or better?

nothing to add from my side. I found it, well articulated and presented. Never in the session, it was boring or overwhelming. Kudos to the team and especially Ram.

3 What did you like most about the training?

Real life examples were eye opener, as similar issues faced by me. Especially the case studies of live customers and how they overcame is immensely valuable. Ram's insights and presentation style is awesome. Overall, a fantastic training session, highly engaging.

4 What could have been improved or better?

Maybe add some quiz, case studies to practice online to reinforce the learning outcomes.
