1 Your name (Optional)

Varanasi N V S Durga Pavan Kumar

2 Rate the Training (1 being worst and 5 being best):

3 What did you like most about the training?

Pace at which explanation and willing to take questions and the explanation

4 What could have been improved or better?

How to do it with the default tools / options / raw data should be covered more because it depends on the organization to use which tools. Might not be the one we recommend. I would like to get resources shared to improve in this aspect by self learning (with the help of queries over the mail)
